

Twenty-fifth AutoJumble

All British Swap Meet / Car Display – June 2023

WE'RE BACK!! AND IN A NEW LOCATION. After several years hiatus due to the pandemic, the Auto Jumble is back. A bit later than normal, but it took a long time to find a place for the AutoJumble – however we have now secured a new location. So, let's start summer off with a swap meet British cars, parts, and related items. Or drive your British car out and put it on display.

This meet is scheduled for Sunday, June 11th at the parking garage at by the old Sears store at Clackamas Town Center. We know the time is short – but that is due to the difficulty in securing a location. Because of the lack of British auto items at the much larger Portland Swap Meet, we are committed to continuing this as an annual event, and hope to move it back to the Spring timeframe next year to help you get your British car ready for Summer.

We are continuing most of the same format as before – inexpensive for exhibitors, free to buyers, and not overly organized. No assigned spaces – pay your fee and find a spot – if you request multiple spaces, we will help get them together. The focus is on British car stuff only – no muscle cars, model “A” Fords, or collectible glassware. Only British cars and car related items will be displayed.

There will be adequate space for registered cars for sale. **Plus, we will have a specific area set aside for a FREE All British Cruise-in (not for cars for sale).**

There are multiple bathrooms within the mall, and the Food Court is a short walk. We hope to have coffee available on site for the morning.
