

2024 Cutsforth's Cruise in UPDATE 1

This year's Cutsforth's Cruise In downtown Canby occurs Saturday August 24th from 9:00-2:00. Kerri and I will again have an area reserved for PTOA on Holly Street between 4th and 5th. There are 2 changes this year, the biggest being that registration will be limited to 750 cars due to space constraints. Last year we had around 730 entrants and since the show continues to grow a limit had to be placed. What this means is that to guarantee entry into the show I recommend you pre-register online at <https://www.cutsforthscruisein.com/product/car-registration-for-august-24-2024/>. The cost is \$20 per car and all proceeds go to local Canby charities. The second change is that I will need to give up any unused reserved spots by 8:45.

For those that have not attended this is the biggest event of the year for Canby. For details on the various things happening go to <https://www.cutsforthscruisein.com/>

I'll have another update on the roads shortly before the event as Hwy 99 in Canby is currently undergoing major construction.
