

Coming Soon - Our New Online Member Center ***A Wild Apricot Update***

The club decided in the spring to improve several tasks required to manage our membership database, and chose Wild Apricot online club management services to host the upgrades.

We are making good progress on the development of PTOA's new online **Member Center**. The Member Center will open March 1 to support 2024 online renewals. Look for club emails in February with details on how to use the Center. Instructions on how to use the Member Center will be provided in the February TRAX, on the website and at the February and March meetings.

The annual renewal period has been moved out one month from March 1 through March 31 for 2024 only.

Please do not send early check payments to membership. We need everyone to update their profile and pay your renewal dues online.

The Member Center is an extension to the PTOA website. It will allow:

- Online renewals using a credit card
- An online membership directory
- Members will be able to view and edit their own profiles, including contact info and privacy settings, and upload photos
- New members will be able to sign up online

The Member Center is the first phase of our conversion to the Wild Apricot software platform. Over the coming year, we plan to release more enhancements to the PTOA online experience. Stay tuned!

- The Wild Apricot Team: Greg Dermer, Mike Rego, Tom Mills, Linda Ernst
